SIMPLE WASH CURES ECZEMA

Why Salves Fail While a Simple Li-
quid Has Accomplished Thousands
of Cures.

It is now thoroughly established
among the best medical authorities
that eczema is purely a skin disease,
due to a germ, and curable only
through the skin. It is not a blood
disease at all; in fact, thousands of
people suffer with skin disease and
are perfectly healthy otherwise, and
thereby prove they have no diseased
blood.

Sincere salves cannot reach the
germs because they do not penetrate
the skin. The only way to reach the
germs is by means of a penetrating
liquid.

Such a liquid can be obtained by
simply mixing ordinary oil of winter-
green with thymol glycerine and other
healing agents. This compound,
known as D. D. D. Prescription, stops
the itch instantly—and the cures all
appear to be permanent. In fact, it
took thousands of cures, case after
case, before the best scientific author-
ities were convinced of the absolute
merit of this remedy. D. D. D. Pres-
cription kills the germs in the itching
skin. Its effect is seen within one
minute after the first application. We
especially recommend D. D. D. Soap
in connection with the treatment.

MRS. LAPANA DIES AT DAUGHTER'S HOME

Mrs. Elizabeth Achuck Lapana
passed away at the home of her
daughter on Liliha street yesterday
afternoon after an illness of some four
months.
The deceased was a close friend of
the late Princess Likelike and of
Queen Liliuokalani.

The funeral will take place from
the Catholic Cathedral this afternoon
at half past three.
The Hui Kahuunani sisters are re-
quested to attend.

Life is brief, then why make such an
awful rumper for a tiny disappoint-
ment?
